### RETURN FROM STRIKE.

W. J. McGregor and F. P. Adams returned yesterday from the new tungsten strike in the Huachuca. The new find was made by the Kelly boys at the mouth of Miller canyon, and promises to be a good field. The ground has been driven over and walked over for the past thirty-five years and the ore is found in the granite. A large number of claims have already been located but the Kelly boys, James and John, have the best part of the field.

### TO WORK ON HIGHWAY.

County Engineer Ryan and the members of the Board of Supervisors are at work getting the road equipment of the county together to begin work on the highway between this city and Douglas. The present road will be widened in a number of places and a considerable portion surfaced with caliche. A large deposit of this soil has been located near Forrest station and the steam shovel that has been used on the new Don Luis road will be used in getting the material out. It will be hauled along the highway and distributed by the traction engine and dump cars. The present plan is to expend about \$30,000 on the road.

### RECEIVED SENTENCES.

Among the prisoners sentenced in the United States court at Tucson on Monday were the following from this district: Lolly Barton, 50 days in the county jail at Tucson for a violation of the Harrison law; George Moran, violation Harrison law, one year and one day in penitentiary at Santa Fe; James A.
